

The image displays a 6x4 grid of 24 yellow hexagonal tiles. Each tile features a black geometric pattern and a number inside a white circle. The patterns and numbers are as follows:

- Row 1:**
 - Tile 1: Two intersecting arcs with two perpendicular tick marks. Number: 10.
 - Tile 2: A straight line with a perpendicular tick mark and a small arc. Number: 10.
 - Tile 3: A small arc with a perpendicular tick mark. Number: 10.
 - Tile 4: A small arc with a perpendicular tick mark. Number: 10.
- Row 2:**
 - Tile 1: A straight line with a perpendicular tick mark. Number: 10.
 - Tile 2: A straight line with a perpendicular tick mark and a small arc. Number: 10.
 - Tile 3: A straight line with a perpendicular tick mark. Number: 10.
 - Tile 4: A circle with two lines extending from its bottom. Number: 20.
- Row 3:**
 - Tile 1: A circle with two lines extending from its bottom. Number: 20.
 - Tile 2: A straight line with a perpendicular tick mark. Number: 10.
 - Tile 3: A circle with two lines extending from its bottom. Number: 20.
 - Tile 4: A circle with two lines extending from its bottom. Number: 20.
- Row 4:**
 - Tile 1: A circle with two lines extending from its bottom. Number: 20.
 - Tile 2: A circle with two lines extending from its bottom. Number: 20.
 - Tile 3: A circle with two lines extending from its bottom. Number: 20.
 - Tile 4: A circle with two lines extending from its bottom. Number: 20.
- Row 5:**
 - Tile 1: A circle with two lines extending from its bottom. Number: 20.
 - Tile 2: A circle with two lines extending from its bottom. Number: 20.
 - Tile 3: A circle with two lines extending from its bottom. Number: 20.
 - Tile 4: A circle with two lines extending from its bottom. Number: 20.
- Row 6:**
 - Tile 1: A circle with two lines extending from its bottom. Number: 20.
 - Tile 2: A circle with two lines extending from its bottom. Number: 20.
 - Tile 3: A circle with two lines extending from its bottom. Number: 20.
 - Tile 4: A circle with two lines extending from its bottom. Number: 20.

A 5x5 grid of 25 yellow hexagons, each containing a unique black pattern and a number. The patterns are as follows:

- Row 1: Hexagon 1 (top-left) has a curved line from the top-left to the bottom-right. Hexagon 2 has a curved line from the top-left to the bottom-right. Hexagon 3 has a curved line from the top-left to the bottom-right. Hexagon 4 has a curved line from the top-left to the bottom-right. Hexagon 5 (top-right) has a curved line from the top-left to the bottom-right.
- Row 2: Hexagon 6 has a curved line from the top-left to the bottom-right. Hexagon 7 has a curved line from the top-left to the bottom-right. Hexagon 8 has a curved line from the top-left to the bottom-right. Hexagon 9 has a curved line from the top-left to the bottom-right. Hexagon 10 has a curved line from the top-left to the bottom-right.
- Row 3: Hexagon 11 has a curved line from the top-left to the bottom-right. Hexagon 12 has a curved line from the top-left to the bottom-right. Hexagon 13 has a curved line from the top-left to the bottom-right. Hexagon 14 has a curved line from the top-left to the bottom-right. Hexagon 15 has a curved line from the top-left to the bottom-right.
- Row 4: Hexagon 16 has a curved line from the top-left to the bottom-right. Hexagon 17 has a curved line from the top-left to the bottom-right. Hexagon 18 has a curved line from the top-left to the bottom-right. Hexagon 19 has a curved line from the top-left to the bottom-right. Hexagon 20 has a curved line from the top-left to the bottom-right.
- Row 5: Hexagon 21 has a curved line from the top-left to the bottom-right. Hexagon 22 has a curved line from the top-left to the bottom-right. Hexagon 23 has a curved line from the top-left to the bottom-right. Hexagon 24 has a curved line from the top-left to the bottom-right. Hexagon 25 (bottom-right) has a curved line from the top-left to the bottom-right.

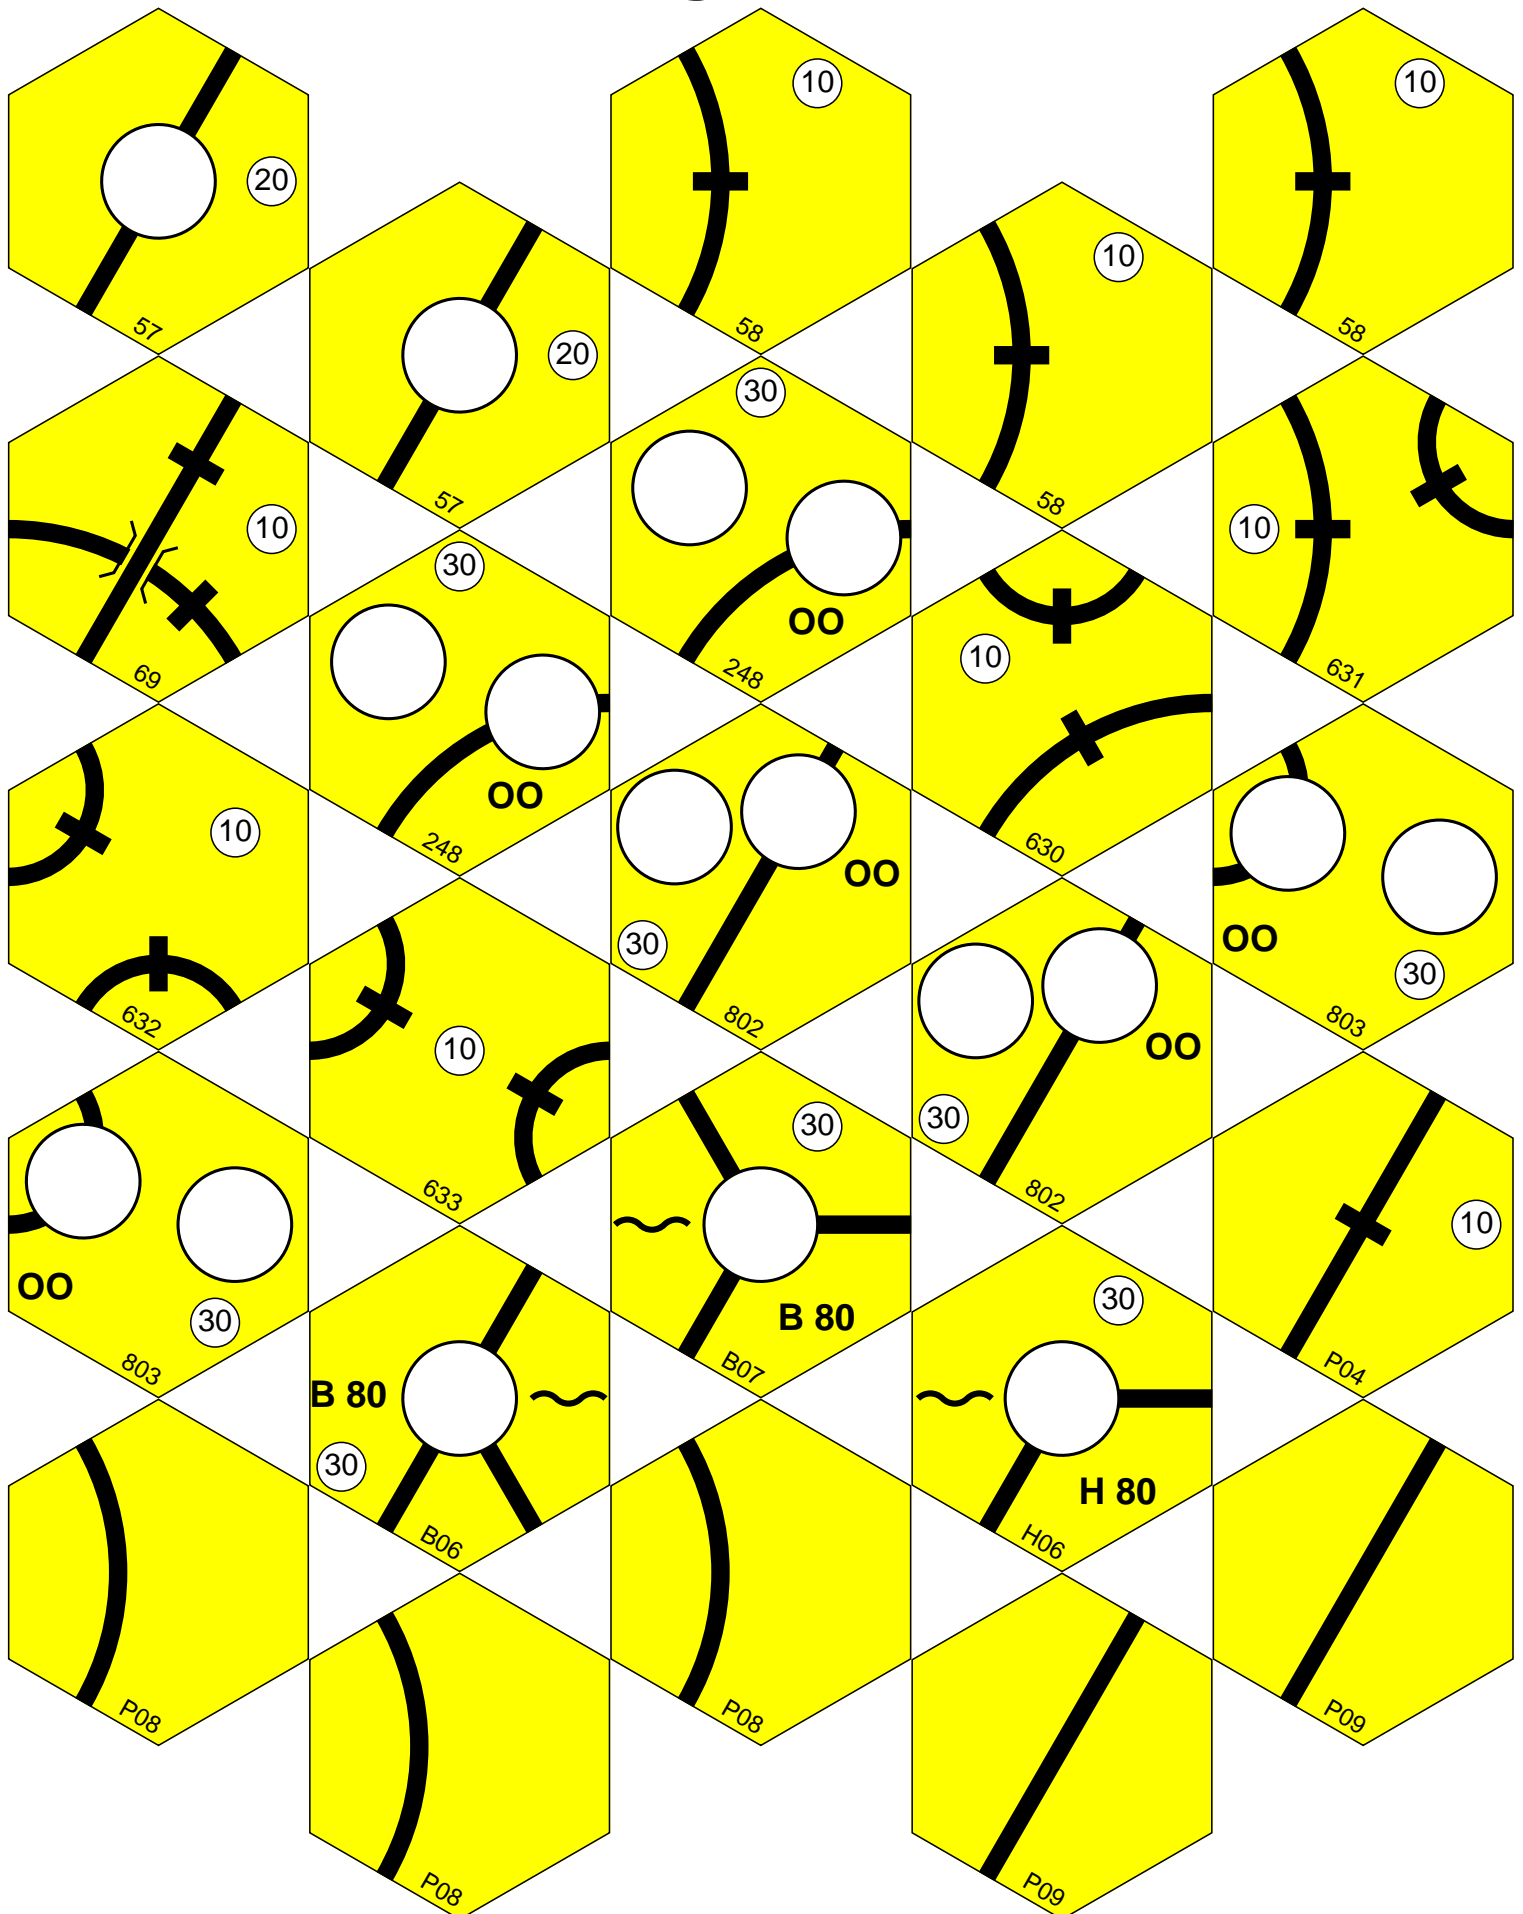

The numbers are placed near the patterns as follows:

- Hexagon 1: 8
- Hexagon 2: 8
- Hexagon 3: 8
- Hexagon 4: 8
- Hexagon 5: 8
- Hexagon 6: 8
- Hexagon 7: 8
- Hexagon 8: 8
- Hexagon 9: 8
- Hexagon 10: 8
- Hexagon 11: 9
- Hexagon 12: 9
- Hexagon 13: 9
- Hexagon 14: 9
- Hexagon 15: 9
- Hexagon 16: 9
- Hexagon 17: 9
- Hexagon 18: 9
- Hexagon 19: 9
- Hexagon 20: 9
- Hexagon 21: 9
- Hexagon 22: 9
- Hexagon 23: 9
- Hexagon 24: 9
- Hexagon 25: 9

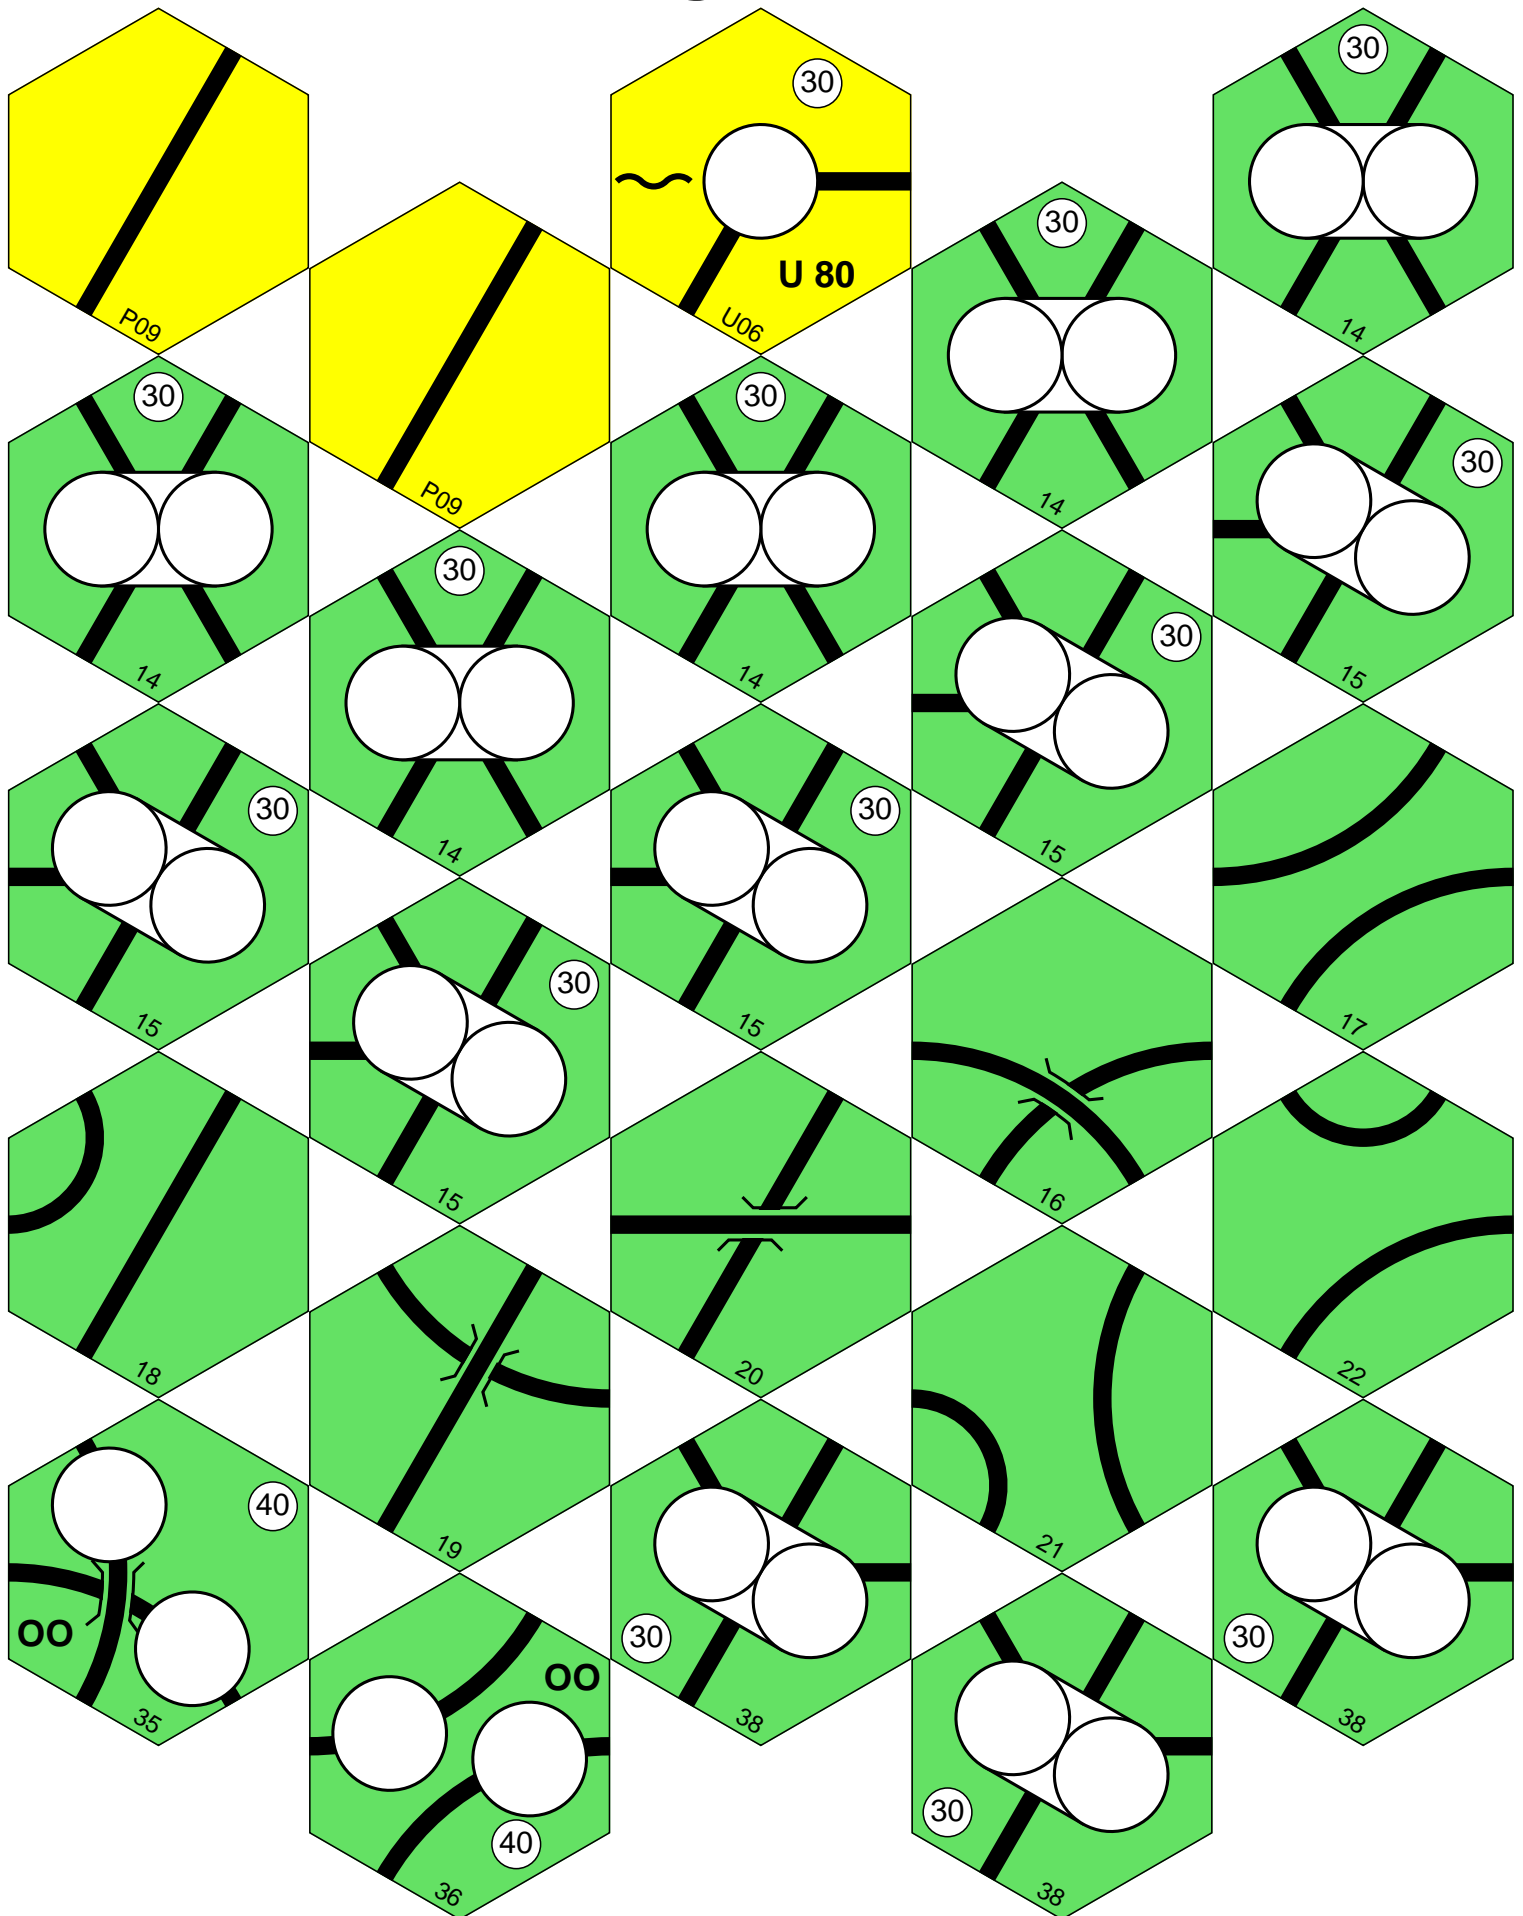

Additional numbers and patterns are present in the bottom row:

- Hexagon 26 (bottom-left) has a curved line from the top-left to the bottom-right, a cross, and the number 55.
- Hexagon 27 (bottom-middle) has a curved line from the top-left to the bottom-right, a cross, and the number 56.
- Hexagon 28 (bottom-right) has a curved line from the top-left to the bottom-right, a cross, and the number 57.
